## Bauer+Kunzi 6-colour printing line with 27 meter tunnel-oven

Pre-owned six-color printing presses (Metalwing) supplied and reconditioned by KBA in 2002-2003. Feeder is with automatic format setting and double sheet detection. All 6 printing towers has a TGA AHP (from 2014) automatic plate changer, automatic cleaning of rubber rolls and inking units and automatic format setting. KBA COLORTRONIC system and Baldwin dampening system. Behind the 6 color printing presses is an inline Mailander 469 coater and 27 meter LTG drying oven on natural gas.
